15	SAE AS 8660	-	GN 69	-	-	-	Dow Corning DC-4	S-736

**\*GN15 Cannot be used for Hartzell propellers instead of ASG 6.**

**\*\*Before replacing ASG 7 with GN 148, the component must be fully cleaned and old grease removed.**

**NOTE : When switching from one grease brand to another compatible grease brand, purging is enough; inject the new grease until the old grease is removed and only the new grease is visible.**
