Re: Block Aircraft Registration Request (BARR)

Please add the following aircraft registration numbers to the BARR database.

<b>Tail Number</b>	<b>Make</b>	<b>Model</b>	<b>Blocking Option</b>
NXXXXC	Beech	A-36	Blocked at FAA Source

As a company representative for \_\_\_\_\_, I acknowledge the following:

- The aircraft listed above will not be blocked immediately. The block database at the FAA source at the VOLPE Center will be updated quarterly.
- Only the aircraft listed above will be blocked. The blocking of additional aircraft requires the submission of additional requests.
- To block or unblock an aircraft, a written request must be mailed or faxed to NBAA. The request must be signed by the NBAA Member Representative (or if not an NBAA Member, the signature of the aircraft owner or operator).
- A copy of the aircraft registration must accompany this written request.
